<p>05.08.2015</p> <p>IHM CORE VALUES (ADULT EDUCATION) Mr. SANJEEV KADKADE - H.O.D - I</p> <p>EDUCATION MUST PROVIDE OPPORTUNITIES FOR SELF-FULFILLMENT; IT CAN AT BEST PROVIDE A RICH AND CHALLENGIN ENVIRONMENT FOR THE INDIVIDUAL TO EXPLORE, IN HIS OWN WAY.</p> <p>THE OBJECT OF EDUCATION IS TO PREPARE THE YOUNG TO EDUCATE THEMSELVES THROUGHOUT THEIR LIVES.</p> <p>ALL TOO OFTEN WE ARE GIVING YOUNG PEOPLE CUT FLOWERS WHEN WE SHOULD BE TEACHING THEM TO GROW THEIR OWN PLANTS.</p> <p>IN ADULT EDUCATION I SHOULD NOT ACT AS A TEACHER, BUT AN AWAKENER.</p>		
<p>06.08.2015 IHM CORE VALUES (LEARNING) From: Sunil Chavan - Sr. Lecturer (IHM-Goa) LEARNING</p> <p>A Child who learns good values grows up into a responsible & well-adjusted person. From the cradle to the grave, learning is a continuous process for all. Some knowledge he acquires from book, some from the people he meets in the course of his life & a good bit of knowledge is got from the various experiences he has.</p> <p>But the most important lesson he learns is the importance of value Education. The teaching of values starts from one’s childhood days & are first instilled into a child by the Mother. These are the values like Obedience, Courtesy manners, Honesty, Truthfulness, Respect, Politeness & so on.</p> <p>In school the child goes on to learn additional values like civic sense, patriotism & secularism.</p> <p>All these values add into a child a responsibility & sincerity to fit into the society & make him a good citizen who will always endeavour to do his best for his country. ‘If you cannot remove obstacles from your life, learn to make something more beautiful (more productive) out of it’.</p>
