IHM CORE VALUES (RIGOUR)

MR. SANTOSH DICHOLKAR, ACCOUNTANT

Rigor

A good theoretical base and a sound methodological design would add rigor to a purposive study.

Rigor donates carefulness and the degree of exactitude in research investigations.

Why IR Models → Individualism → Rank Context → Portfolio Retrieval

What is Relevance?

- Relevance is the “correspondence” between information needs and information items
- But, the exact meaning of relevance depends on applications:
 - = usefulness
 - = aboutness
 - = interestingness
 - = ?
- Predicting relevance is the central goal of IR
