IHM CORE VALUES (Adult Education)

Mr. Anish Gopinathan, Assistant Lecturer

Adult Education

“The model curriculum guides you by expanding on the standards, but you have a lot of freedom with it in how you teach. It gives you a goal, but how you get there is based on whatever you think will work best for your students.”

A famous quote:

IHM CORE VALUES (Entrepreneurship)

Mrs. Fabiola Fernandes, Teaching Associate

Entrepreneurship

“I think a great entrepreneur is learning everyday. An entrepreneur is somebody that doesn't take no for an answer- they 're going to figure something out. They also take responsibility.

They don't blame anybody else.

And don't blame anybody else.

And they 're dreamers in one sense but they're also realistic and they take affordable steps when they can”

IHM CORE VALUES (RIGOUR)

Mrs. Sylvia Vaz , Teaching Associate

RIGOUR

Academic rigour is determined not just by what is taught, but how it is taught and how it is assessed.

A rigorous curriculum is focused, coherent, and appropriately challenging.

Rigorous learning experiences help students understand knowledge and concepts that are complex, ambiguous, or contentious, and to acquire skills that can be applied in a variety of educational, career, and civic contexts throughout their lives.

In education, *rigour* is commonly applied to lessons that encourage students to question their assumptions and think deeply, rather than to lessons that merely demand memorization and information recall.

Student engagement is a key aspect of rigour.
